

Health and Safety House Policy - Please Read

**In the interest of the Health and Safety of our customers and staff
the following extra policies have been put in
place across our business**

1. Increased hand sanitizers at tills and at each entrance and exit. We ask that EVERYONE please uses these on entry and exit.
2. A no handshake policy for staff and customers.
3. Extra hand sanitizing procedures for all staff are in place.
4. We have introduced Social Distancing for both staff and customers with reduced number of tables and chairs and increased distances between tables and recommended list of protocols for staff.
5. Regular Door handle and push plate sanitization and internal doors propped open where safe and possible and where not in breach of any fire regulations.
6. We are not accepting reusable cups for the time being until it's once again safe to do so.
7. Strict return to work protocols around any staff returning from abroad or who have been in contact with anyone returning.
8. We are following all HSE guidelines and keeping our team informed on a regular basis and have also sought the advice of Medical professionals on what procedures to implement in our business to ensure the health and safety of our staff and customers.
9. Please don't congregate at the bar and respect others social spacing where possible.

We look forward to welcoming you to the Hamlet's and thank you in advance for helping us continue to make it a safe and comfortable environment for everyone to enjoy. See you soon
